# BONUS MANGA INTRODUCING HIS NEW FORM

It is this  
the Phoenix  
Lightning  
Form.

In order to  
fight the  
aggravating  
big group  
Phoenix  
brings out  
a new power.

It also  
helps up dark  
places, so girls  
going home  
from school  
can feel  
safe when they  
are close by.

Phoenix's  
strength and  
his impressive  
power is enough  
to overpower  
his enemies.

H-Hey...  
I'm not  
mean,  
this is...

I bet you're  
up to get  
some more  
for me...  
right?

Now  
the ghost  
isn't as  
tough as  
the other  
I can't  
move.

Now that  
the hell is  
that one  
has  
carnival  
festival.

O-ohh  
h-hh
